Safe arrival and collection

Our "Safe arrival and collection of children policy" will become fully operational from January 2019. If you need to update or add any details to your consent form, please speak to the office as soon as possible and we will add those people who you wish to collect your child to the list. We will only be able to release your child to those people named on your consent, unless it's a one off event, when a phone call or message will be accepted.

Also, if you wish your year 5/6 child to walk home on their own, you must complete a confirmation slip. This can be found at the bottom of the policy on the school website.

Many thanks for your co-operation.
