## CAREERS WEEK...

We have had such an amazing time during our 'Careers and Enterprise Week' with a mixture of activities focused on different occupations, the 'World of World' and raising aspirations.

The children have been involved in a variety of workshops led by professionals from different industries. They got to become Forensic Scientists, Games designers, Entrepreneurs and dress as their dream job!

They learnt and developed valuable skills such as decision making, time management and communication skills. Enterprise is all about having the 'can do' attitude and experiencing new things; the children were amazing all week, stepping out of their comfort zone and giving things a go!

Today we will be holding our Market Place at 2.45pm so please come and see what the children have been making.....remember your wallets! Thank you all so much for supporting the school and the children, we really appreciate it.

'What a pleasure it was to visit your school. I was delighted by all the pupil's efforts and behaviour' Wendy - Solicitor
