# Hesketh-with-Becconsall's **NEWS OF THE WEEK**

*What you are is God's gift to you,  
what you become is your gift to God.*

Part of the Learning Together Trust family of schools 

What a lovely first week back at school, seeing familiar faces return and welcoming new ones into the Reception Class and Little Saints Nursery; all the children have been delightful showing good manners, good work and good behaviour!

As our All Saints School family continues to grow so does our Learning Together Trust family of schools, Benjamin Hargreaves CE Primary School joined the Trust on September 1<sup>st</sup>.

You are invited to the...

**2024  
LEARNING  
TOGETHER:  
EDUCATION IN  
OUR COMMUNITY**

This is the 2024 theme for Churches Together in England.

Rev Dave, the congregation of All Saints Church & Mrs Ainsworth would love to see children and their families at this school-led family service.

*'As I have loved you, love one another.'* John 13:14

The service begins at 10.30am at **school** and should last no longer than 45 minutes. Refreshments will be served afterwards.

# Reading Rewards

Reading is the key to learning and all children in KS1 & KS2 brought home new reading books and records today. Who will be the first child to gain a reading reward in the 100 club?

Next week we are looking for

# Stars of the Week

who show our School Value of

# RESPONSIBILITY

## Education Sunday Comissioning Prayer

Dear Lord God, we thank you for the gift of learning, and that as humans we can increase our knowledge, deepen our understanding and sharpen our skills and abilities. Help us to be mindful that learning is a gift from you to be cherished, to be used for the betterment of ourselves and others and to the glory of your name and the furtherance of your kingdom, according to your will. Here in our community, we have teachers, learners and places of learning. We thank you for them all, and for the contribution they make to making our community what it is. Bless them and strengthen them. We pray for our places of learning, schools, nurseries, colleges and universities, that they are safe and supportive places which open up a world of possibilities to all. We pray for those who contribute to our places of learning, teachers, lecturers, teaching assistants, support staff, chaplains, volunteers, leaders and governors. May they each know what valuable contribution they bring in helping their learners flourish and grow. We thank you Lord for their talents. We pray for those who learn, whether that comes easily to them or is difficult, that they see the opportunities before them and grow in confidence and wisdom and flourish. We thank you Lord for their curiosity and creativity. We ask all these things in your name.

Amen.

Whilst we enjoy the Education Sunday Service here at school Mr Wright has a personal challenge of his own this weekend as he takes part in the Great North Run for charity.

# Year 2 Maths

Year 2 enjoyed representing numbers in different ways using their maths toolkit boxes with a variety of manipulatives as part of their Place Value learning.

# Is my child too ill for school?

We understand that children from time to time can become ill and it is a tricky decision whether to send them into school. Please see below a guide to help you decide whether to send your child to school.

## Coughs and colds

It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes. Encourage your child to throw away any used tissues and to wash their hands regularly.

## High temperature

If your child has a high temperature, (high temperature is 38C or more) keep them off school until it goes away.

## Chickenpox

If your child has chickenpox, keep them off school until all the spots have crusted over.

This is usually about 5 days after the spots first appeared.

## Cold sores

There's no need to keep your child off school if they have a cold sore.

Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

## Conjunctivitis

You don't necessarily need to keep your child away from school if they have conjunctivitis but you must get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

## Ear infection

If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

## Hand, foot and mouth disease

If your child has symptoms of hand, foot and mouth disease please take them to the GP to be checked. After this, if they seem well enough to go to school, there is no need to keep them off.

Encourage your child to throw away any used tissues straight away and to wash their hands regularly.

## Head lice and nits

There's no need to keep your child off school if they have head lice. You can treat head lice and nits without seeing a GP.

## Impetigo

If your child has impetigo, they'll need treatment from a GP, often with antibiotics.

Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.

## Ringworm

If your child has ringworm, see your pharmacist unless it's on their scalp, in which case you should see a GP.

It's fine for your child to go to school once they have started treatment.

## Scarlet fever

If your child has scarlet fever, they'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.

## Slapped cheek syndrome

You don't need to keep your child off school if they have slapped cheek syndrome, because once the rash appears, they're no longer infectious. If you suspect your child has slapped cheek syndrome, take them to see a GP and let their school know if they're diagnosed with it.

## Sore throat

You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. A sore throat and a high temperature can be symptoms of tonsillitis.

## Threadworms

You don't need to keep your child off school if they have threadworms.

Speak to your pharmacist, who can recommend a treatment.

## Vomiting and diarrhoea

Children with diarrhoea or vomiting should stay away from school for 2 days after their symptoms have gone.

Information taken from NHS Website <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Our aim as a school is for every child to achieve at least 96% attendance and, whilst we appreciate that sickness is unavoidable, we do have a duty of care to report persistent absences (below 90%) to our Attendance Officer.
